

AMENDMENT UNDER 37 C.F.R. § 1.116
U. S. Application No. 09/765,378

card and obtaining two demodulated data with a single movement of the magnetic card relative
to the magnetic heads;

Bent
an error detecting portion for detecting an error in at least one of the two demodulated
data; and

an error correcting portion for correcting the error, which is detected by said error
detecting portion, by using the other demodulated data.
